

## VSSA Update 6.3.08

Families and Friends of VSSA:

**Class Rank** is being discussed at VSSA. Would you prefer to have the VSSA kids grouped into BMHS or ranked as a separate school? Make your opinion heard to Geoff, Jeanne or Tanya.

With an eye on the future of the program, we are again asking all parents to take 5-10 minutes and fill out an **exit survey for VSSA 07-08** (see link below).

**Final Exams** will be today and Wednesday 6/4. Make-up exams will be held on Thursday 6/5. Students who complete their finals by 6/4 are not required to attend school on 6/5. The pizza party originally scheduled for 6/5 is cancelled as most kids will not be in school.

**Summer school** options are available. Attached is a list of options for courses. If your child is interested in any of these courses, email Geoff or Jeanne by 6/13 to confirm that they are good choices to move your child towards graduation. COL courses run from 5/12-6/11. Aventa courses have flexible dates, but an academic plan must be in place with a teacher or Grimmer before registering.

Look for a.) **Fall Registration** guide and course selection forms b.) Updated **Academic Contract** & Appeal Form c.) Link to up and running **VSSA Website** on the June 23<sup>rd</sup> VSSA Update .

Take care,
