

Board Member Resignation/Removal from Office

Vacancies may occur on the Board because of a member's resignation, death, his/her moving outside of the District or director district, or other reasons provided by law. Or a member may be recalled or removed from office for such reasons as specified in law.

A member's office shall be declared vacant by the Board of Education if (s)he does not attend three consecutive regular meetings of the Board unless the Board, by resolution, approves any additional absence or unless such absences are due to temporary disability or illness.
