

Admission of Non-Immigrant Foreign Students

Academic Requirements

No students will be admitted who has already graduated from the equivalent of the twelfth grade or who will reach the age of twenty-one years on or before September 15 of that school year.

The student must have average or above-average grades in school at home and must not require special education services in order to function in the regular academic program.

The student must have sufficient knowledge of the English language to enable effective oral and written communication and to function in a regular educational setting without special assistance. If a student's English proficiency is found to be insufficient to function in the regular instructional program without special assistance, the exchange program or private sponsor must provide a tutor or make other educational arrangements for the student at their expense. If the program or sponsor fail to do so, the student will be withdrawn and INS will be notified.

The District will not provide foreign students with admission to special education programs, English as a Second Language programs, post secondary options or other special programs.

Students are expected to take five classes per term including one language arts or English class and one American history or government class and are expected to maintain passing grades in all classes.

Non-immigrant foreign students who enroll through a one-year exchange program are not eligible to graduate from a District high school.

General requirements

Foreign students will be treated as regular students. They are responsible for complying with all district policies and regulations.

Foreign students are expected to pay for all lunches, books, athletic and student activity fees and other fees, yearbook costs, and all other expenses normally borne by students in the District. Foreign students are not entitled to free or reduced prices for lunches.

The eligibility requirements of the Colorado High School Activities Association will be followed. Accordingly, foreign students sponsored by an approved program may participate in organized sports, while those sponsored by a private sponsor may not.

The sponsor, host family and local program representative must maintain personal contact with the school, must be available and willing to meet with school personnel when problems or circumstances require and must assume full and final responsibility for resolving problems including the early return of the student if personal, family or school difficulties cannot be resolved.

If a student's grades, attendance, conduct or discipline are deemed unsatisfactory by the school, the student may be withdrawn and INS will be notified.

Admissions process

Approvals for admission must be obtained from the District between April 15th and July 31st for the following school year.

All applications will be screened and approved by the principal of the school where admission is being requested.

The student must attend the school in the attendance area in which the host family or sponsor lives, unless an appropriate transfer is approved by the District. Should a large number of foreign students be scheduled for a particular school, a transfer to another school may be recommended by the District in order to create a balance in foreign student enrollment.

Upon the student's arrival in the District, the adult sponsor (host family and/or local representative of the exchange program) and student must come to the school to complete the enrollment process. Students must arrive in sufficient time for attendance on the first day of school.

Foreign students sponsored by an approved program (J-1 Visa)

Only programs designated by the United States Information Agency will be considered for placement of foreign students on J-1 visas.

The program must have a local representative residing in or near the District who will meet with the student, host family, and school personnel on a regular basis.

Orientation both pre-departure and upon arrival in the United States, must be provided to help foreign students adjust to a new culture. Ongoing contact and support from the local representative of the exchange program must also be provided.

Orientation must be provided to the host family in advance of the foreign student's arrival. The family should be acquainted with the needs and requirements of housing a visitor for a long period of time, advised of potential problems in hosting a foreign student and provided with suggestions for coping with these problems. Ongoing contact and support from the local representative of the exchange program must also be provided.

Foreign students on J-1 visas are not subject to tuition.

Foreign students sponsored by relatives or friends (F-1 Visa)

Pursuant to federal law, only high school students are eligible for F-1 visas. A student may receive F-1 status for no more than twelve months in a public school system. The student must have reimbursed the school district in advance for the full, unsubsidized cost of educating the student. This amount will be determined annually by the Superintendent or designee.

Payment of tuition must be in a certified or cashier's check in U.S. currency payable to the District. Should a student not be able to obtain a visa or not attend for some other reason, the

tuition will be refunded in full. Should a student attend for less than a full school year, tuition will only be refunded if a true hardship situation is demonstrated.

The private sponsor assumes parental responsibility including financial obligations while the foreign student is in attendance. The sponsor must demonstrate the ability to support the student prior to issuance of the I-20.
