

### **Open/Closed Campus**

Students in grades K-11 will not be allowed to leave the school campus between the time of arrival and the end of the school day.

The only exceptions to this policy are a shortened schedule and educational/job related activities off campus that are related to the student's currently scheduled course work. Seniors who are graduating on schedule at the end of the current school year have earned the open campus privilege which allows them to leave campus for lunch time only. These privileges can be revised on an individual basis if it or if it affects the student's attendance or punctual return to school.

Any exception to this expectation of attendance will be addressed through the current process of parent request for a pre-excused absence described in Administrative Policy, JH, Absences and Excuses
